

Premises Referral Program

Special Terms

These are additional terms and conditions for our Premises Referral Program:

1. To be eligible for the \$150 (GST incl) credit (Referral Credit):
 - i. you must be a party to an existing Small Market Contract for a Generally Available Offer or Plan (Existing Contract); and
 - ii. the supply address must be in Victoria, New South Wales, South Australia or South East Queensland; and
 - iii. you enter into this new Small Market Contract for a supply address which is being supplied for the first time by us (New Contract); and

2. We will apply the Referral Credit to the account of the Existing Contract:
 - i. for each New Contract entered into; and
 - ii. after the first tax invoice for the New Contract containing a full month of usage has been invoiced and paid in full by the due date (First Bill); and
 - iii. the First Bill is equal to or greater than \$150 (GST incl).

3. We will not pay the Referral Credit as an offset against the charges on a final bill, or as a refund, or transfer any Referral Credit balance to another supply address under any circumstances.

4. The supply address for each new New Contract will also receive a free Energy Health Check and tariff review:
 - i. after 6 months of invoices have been paid in full; and
 - ii. there is no outstanding balance on the account.

OFFER EXCLUSIONS: This offer is not available in conjunction with any other Blue NRG offers, plans or promotions and is not transferable.

DEFINITIONS: Capitalised terms that are not defined in these Special Terms are defined in the Small Market Contract Terms and Conditions, and any relevant law or code.
